

We're
Lucky we're
WHITE

Lucky to be the majority.

We're lucky we're seen
as
"normal"

Lucky
that
People
See
US,
not
a
COLOR.

We're lucky we
don't get stared at
every single time we
walk into a room.

We're lucky
car doors don't get
LOCKED
when we
walk by.

We're lucky we
don't get followed
by security
when we go
to the
store.

If you see
racism,
SPEAK UP.
Break the
Silence.

We're lucky that it's
easier to get a job,
a bank loan, and
approval in
general.

Lucky we don't have
our purse searched when
we leave the mall, or
have our car searched
because we're in
the **WRONG** neighborhood.

It's hard to see racism when you're white.
